

Symposia

Serono Symposia International live events offer attendees a chance to work closely with faculty and colleagues. We offer a balanced curriculum within a dynamic learning environment, making those of Serono Symposia International Foundation the events of choice among health professionals in the fields of dermatology.

Click on any event to register, or simply learn more about it.

A New Era in Management of Psoriasis

Turkey, Istanbul
[Calendar: AD]May 22, 2008
