

Embryo Cryopreservation

Welcome to “Embryo Cryopreservation” an online course.

If you want to learn more about this online course, begin by reading through the pages listed at the left.

All participants must complete the registration form to take part in this online course.

This Serono Symposia International Foundation online course includes a number of slides accompanied by audio and narrative text. You can navigate through the slides using the “Next” and “Previous” buttons or using the “Menu” button to choose a specific slide. There are a total of 66 slides in this presentation and the approximate completion time is 1 hour. The audio starts automatically at every slide. You can control the audio by using the buttons on the bottom right. Please note that the first, last, 23rd and 65th slide do not have audio.

You need to have Flash Player 7 installed in order to view the course. If you are not sure what Flash Player you have installed visit the site <http://www.adobe.com/de/products/flash/about/> to find out. If you see a red cross there is no flash player installed. Otherwise the version will be detected.

You can save and print the entire online course program by clicking the “Download” button. The downloaded file will include an Adobe Acrobat PDF file of the slides and transcripts. You will need Adobe Acrobat® Reader® to view the PDF files.

When you reach the end of the program, you have the option of completing a brief multiple-choice test, followed by a program evaluation.

If you have any questions or experience any problems, please contact info@seronosymposia.org.

We hope you find the information in this online course informative and relevant.
