

Severe Systemic Complications...

CME Step-by-Step

Welcome to "Severe Systematic complications of Acromegaly", an online course.

Getting Started

Please read through the pages listed at the left and then click on the Quick Start icon.

Registering

All participants must complete the registration form to take part in this educational opportunity. All participants will receive a certificate of completion (See Getting a Certificate below).

Navigation in the Program

Serono Symposia International online courses include a series of slides accompanied by narrative text. You can navigate through the slides using the "Next" and "Previous" buttons or using the "Slide Menu" button to choose a specific slide. There are a total of 37 slides in this presentation and the approximate completion time is 1 hour.

Printing

You can save and print the entire online course program by clicking the "Download" button. You must have Adobe Acrobat® Reader® to open the downloaded file.

Taking the Test

When you reach the end of the program you will have the option of completing a brief multiple-choice test, followed by a program evaluation. There are 10 multiple choice questions. Your test score must be 7 or more questions answered correctly to earn CME credit. Although the evaluation is not graded, you must complete it to receive a certificate of completion.

Questions

If you have any questions or experience any problems, please contact info@seronosymposia.org

We hope you find the information in this online course informative and relevant.
