

Morbidity of Adults...

Welcome to “Morbidity Of Adults As Small For Gestational Age (SGA) – Genetic or Epigenetic?,” an online CME. The conference report is from the Serono Symposia International workshop held July 6, 2001 in Montreal, Quebec, Canada.

Getting Started

If you want to learn more about this CME, begin by reading through the pages listed at the left.

Registering

All participants must complete the registration form to take part in this continuing medical education (CME) opportunity.

Navigation in the Program

This CME report is in PDF format. In order to view this CME you must have Adobe Acrobat® Reader® installed on your computer. If you need to download the reader, please register for the CME program and follow the instructions to download the reader. You can also choose to download the report by choosing the "download CME" button (bottom right side of screen). There are two files available, a Word document (read only format) and a PDF file.

Taking the Test

When you reach the end of the program you will have the option of completing a brief multiple-choice test, followed by a program evaluation.

Questions

If you have any questions or experience any problems, please contact info@seronosymposia.org

We hope you find the information in this CME informative and relevant.
