

Multiple Sclerosis: An Overview

Welcome to “Multiple Sclerosis: An Overview,” an online CME.

Getting Started

If you want to learn more about this CME, begin by reading through the pages listed at the left.

Registering

All participants must complete the registration form to take part in this continuing medical education (CME) opportunity.

Navigation in the Program

SeroSymposia International Foundation online CME programs include a series of slides accompanied by narrative text. You can navigate through the slides using the “Next” and “Previous” buttons or using the “Menu” button to choose a specific slide.

Printing PowerPoint Slides

You can save and print the entire CME program by clicking the “Download” button. You must have Microsoft PowerPoint to open the downloaded file. To print the slides with a white background and black text, select File, then Print, then choose the “black and white” option at the bottom of the page and click OK.

Taking the Test

When you reach the end of the program, you have the option of completing a brief multiple-choice test, followed by a program evaluation.

Questions

If you have any questions or experience any problems, please contact info@seronosymposia.org.

We hope you find the information in this CME informative and relevant.
